

**REMARKS**

The Examiner has asserted that the claims are directed to patentably distinct inventions under 35 U.S.C. §121, requiring election to one of two groups, namely claims 1-7, drawn to a method of making a keyboard case, and claims 8-11, drawn to a keyboard case.

The Applicants hereby elect claims 8-11. The election is made without waiver, estoppel, or prejudice to the filing of one or more related applications directed to the subject matter of the withdrawn claims.

Respectfully submitted,
